

# B. C. S. Bulletin To Old Boys

VOL. XVIII No. 1    COMPILER: H. L. HALL, M.A. ('16-'27)    NOVEMBER 1958

NO, THE PRINTERS HAVEN'T MADE A MISTAKE....we thought we'd like to see appearing on the front page what has usually been on the last.

While the Bulletin mailing list has increased annually, yet membership in the Association has been decreasing.

Back in 1945 when the Association assumed all costs of producing the "Bulletin to Old Boys" and when the mailing list then was about 600, an aim was set to try to obtain 500 members. In 1949, with the mailing list over 900 and 451 Old Boys enrolled as members, we thought our aim might be achieved the next year. Unfortunately, it wasn't; but we have always been hopeful, and still are, that some day -- and soon -- we may be able to announce our success.

As of May, 1958, over 1000 Old Boys receive the Bulletin -- but under 330 are members of the Association of whom 129 are Life Members.

## THE HEADMASTER'S MESSAGE:

By the time you read this Bulletin the School will have launched its campaign, and you may already have been approached. May I ask that you give it every possible consideration.

We are not a lame duck asking for help. I think it is safe to say that the School is in a healthy condition. Certainly there are more good boys applying for admission than ever before.

I have always felt that B. C. S. compares very favourably with any school in the country. Yet it would be fatuous to suppose that we can rest on what we like to think of as our laurels, now or at any other time. It is a fact that other schools have in the recent past added to their plant. We must do the same if we are to maintain our present position. Indeed we should seek to improve it.

As I told an Old Boys' meeting recently, we are not asking for luxuries. We simply want better tools with which to try to do a better job.

Surely you will be willing to help the School which helped you.

Arthur D. Fry ('80-'83) became a Life Member in the Association in October of this year. We welcome him most cordially and thank him not only for his generosity and loyalty to the School, but also for the wish, at his age, to be associated with the aims and ideals for which the Association stands, and for the kind words in which he refers to the School. Mr. Fry is over 90 years young!

We welcome the following Old Boys who left the School last June, as members of the Association:

J. M. Alexander ('51-'58); M. O. Alexander ('50-'58); J. D. Eberts ('55-'58); C. C. Johnston ('52-'58); D. E. Khazzam ('55-'58); K. A. Lawson ('55-'58); D. I. McNeill ('53-'58); J. R. Miller ('55-'58); L. B. Mongeau ('56-'58); A. R. D. Nesbitt ('52-'58); R. B. Pitcher ('52-'58); W. R. Sewell ('48-'58); B. M. Vintcent ('52-'58); S. F. Owen ('53-'58).

Since the last list was published, the following Old Boys have become Life Members in the Association and we welcome them most cordially:

Allan T. Patton ('22-'29); G. L. Miller-Aicholz ('44-'48); J. F. Cameron ('48-'54); Arthur D. Fry ('80-'83).

The School gratefully thanks J. Bassett ('29-'33) for numerous boxes of books which came from the library of his late Father and which he has donated to the Peter Holt Memorial Library.

## THE THANKSGIVING WEEK-END: OCTOBER 11-13

"In spite of set-backs and disappointments, we have, at B. C. S., still much for which to be thankful -- and grateful." These words, taken from the sermon delivered by the Headmaster at St. Peter's Church, Sherbrooke, on Thanksgiving Sunday, set the tone for the School's Thanksgiving Celebrations which, in spite of cold, cloudy weather during the whole week-end and the disappointment caused by the new Gym and Theatre building not being ready for use as had been hoped, were attended by many parents, friends and Old Boys. To the Rector of St. Peter's, the Rev. G. Marston, and the Bishop's University authorities for the use of their Convocation Hall where Prize-Giving took place, the School extends its thanks for their coming to our aid, thus assuring the success of our week-end activities.

Sunday morning, the 9.30 service at St. Peter's was crowded. Mrs. R. Bell, the School Organist, played the organ and the Choir under the direction of the Chaplain, the Rev. H. Forster, maintained the high standard he has built up. R. Brown, soloist, sang Handel's "Art Thou Troubled?".

Seating arrangements were under the capable direction of G.H. Moffatt, Esq., and Miss M. Reyner looked after the robing of the junior members of the Choir.

Sunday afternoon, the Headmaster and Mrs. Glass were AT HOME for the many

parents, friends and Old Boys, and the inclemency of the weather was soon forgotten at the pleasant reception held from 4. 30 to 6.00. Our thanks to them for their kind hospitality.

Monday morning, the Old Boys, over 25 strong, defeated the School rugby team, 18-0. Immediately after the game, Prize-Giving was held in Bishop's University Convocation Hall. Seated on the platform were: Mr. Justice Mitchell, Dr. W. O. Raymond, the Headmaster, C.A. Sharp. D. Doheny. J. Baillie, E. Webster, D. McNeill, Col. Brine and J. G. Patriquin, the latter taking the place of Mr. Pattison, who, due to illness, was unable to be present.

Mr. Justice Mitchell welcomed the many parents and called upon Dr. W. O. Raymond, Professor Emeritus of Bishop's University, and a loyal friend and supporter of the School, to give out the Prizes. Friends of the School and especially Old Boys who are graduates of Bishop's, were delighted to see Dr. Raymond on-the platform--and his holiday granted by the Head made many a new friend for him!

The Headmaster in his opening remarks expressed his regrets at Mr. Pattison's absence due to sickness, and the illness of the School Nurse, Miss Morrisette, who returned to the School only a few days previously. He then referred his audience to the printed Record for the Year for details in connection with School activities, and pointed out the disadvantages of students entering University too early and emphasized the value of the Seventh form at B. C.S. In a stirring and thought-provoking speech, he urged parents to see that they and their homes provided the proper background for the hopes they entertained for their children.

Luncheon at two sittings in the School's Dining Hall, brought the celebrations to a close, the Tea-Dance being postponed due to temporary lack of space.

Letter received from Mr. Arthur D. Fry ('80-'83) in October:

"I do not think anything that I could tell you would be of interest to either the present students at the School, or the Old Boys. It is now seventy-five years since I left B. C. S. and am not known by any of the present students, and all my fellow students, as far as I know, have passed on. If there are any still living, I would be glad to have their names. The last one was Bishop Williams who was nearly 100 years old, and a grand old gentleman.

I might mention the two terms which we spent at Magog in '81. One of the scholars, Frank Tiffin, died of typhoid during the fall term of 1880 at Lennoxville, and the School was closed to have a thorough examination made of the water and drains, etc. We were advised that the School would be moved to Magog and only about thirty-odd boys turned up. We lived in an old summer hotel by the name of Park Hotel I think it was, facing the Lake and we had a very dull time of it, until the ice in the lake moved out and then we got some rowing, etc. The three years that I spent at the School were, I think, the happiest of my life: no responsibilities, lots of cricket, football and swimming and I made many life-long friends, ending up by taking the Associate-in-Arts examination. One of our students, M. O. Smith, came out head of the fifty who passed, tied with Miss Helen Reid and, I think, Miss McLea. Three or four other fellow students got through; much to my surprise I came out tenth.

During the three years that I was at the School, we had three different Rectors or Headmasters; the Rev. P.C. Read, Canon Isaac Brock and for a short time Dr. Lobley.

I regret that I will not be able to attend any re-unions of Old Boys as I am practically confined to the house but will always be interested in the School and am very glad that it is in such a thriving condition. "

#### PREP SCHOOL NOTES:

A considerable upsurge in interest in Soccer is very noticeable in the Eastern Townships as elsewhere and the Prep team have had a busy and successful season. In the annual games with Selwyn House School for the Wanstall Cup, B. C. S. managed to retain the cup for the third year in succession; the game in Montreal was a 1-1 draw and at B. C. S. the Prep won by a score of 3-0. One game has so far been played against Stanstead College and this resulted in a win for B. C. S. by a score of 4-0.

The feature attraction, the match against King's Hall, was played this year and ended in a draw of two points each.

At the time of writing there is a chance of a game versus Ashbury College who have written asking for home and home games.

Besides the regular inter-school games, we have also had games with an older group from Sherbrooke High School and while we were well defeated it gave us excellent practice and helped the cause of Soccer in this area.
